Taunton Fabrications
STEEL FABRICATION • ARCHITECTURAL METALWORK

Vacancies

Site Fitter, Operative

Taunton Fabrications are a highly respected architectural metal-work and bespoke steel fabrication specialist based in Somerset, UK. For more than 30 years we have provided high quality architectural metalwork products and services to main contractors, developers, and private clients.

A unique and exciting opportunity has arisen to join our contracts installation department. Ideally you will have gained experience within the construction industry working for a similar or associated trade company. We provide and update all operatives mandatory training and encourage progression.

Role description:

Reporting to the Site Operations manager you will be working under the supervision of the working supervisor. You will assist with the installation of a wide variety of bespoke architectural, secondary, and structural fabrications. Typical projects include:

- Feature stairs and access stairs;
- Balustrades and handrails;
- Balconies;
- Structural steelwork; and
- Bespoke architectural features.

Location:

- Sites throughout the south of England

The ideal candidate will have:

- Background of some site experience.
- An excellent attitude to Health & Safety compliance.
- CSCS Card.
- Full clean driver's license.
- Able to work well in a team.
- Punctual and Self-motivated.
- Positive attitude to work with attention to detail.
- Flexible approach and able to prioritise tasks.

Position details:

- 39.5 - 45 hours per week.
- Salary dependent on experience (DOE)
- 28 days holiday including bank holidays.
- Company Pension Scheme.
